Sir,

1) I beg to submit the following for your kind consideration.

'N' | My permanent pay in the grade of Rs.250 - 40/2 - 450 stood at Rs.370/- as from 1st April 1948. As per Government Order No.Fl.4081-4161 S&A.14-48-7 dated 4th November 1948, my pay was fixed at Rs.395/- per month (Rs.375 + 20 P.A.) in the grade of Rs.300 - 25 - 500, with effect from 1st October 1948. When the next increment due to me as on 1st October 1949 is sanctioned, my pay will be fixed at Rs.400/- in the grade of Rs.300 - 25 - 500, as the personal allowance of Rs.20/- will be absorbed.

2) 'B' | Looking at the position as on 1st April 1950, when my next increment in the old grade of Rs.250 - 40/2 - 450 would have been due, my pay would have been Rs.410/-as on that date, whereas in the revised grade, I will be drawing only Rs.400/- . It can be seen therefore that I have not derived any immediate benefit from the revision of the grade; on the other hand, I stand to suffer therefrom for some time to come.

3) eA | I request you kindly to take into consideration the peculiar circumstances of my case and the fact that I have put in a total service of over 14 years, and fix my pay at Rs.425/- in the revised grade with effect from 1-10-1949.

Forwarded with Compts

~~Sd) [illegible] of this Office was the old grade and the this grade is now protected below old grade~~

6) Sri T Shamanna is an Asstt Comr. His permanent pay in the old grade of ~~260~~ 250-40/2-450 stood at Rs 370/- from 1st April 48 in the revised grade his pay is fixed at Rs 375 + 20 P.A. from 1/10/48. His pay from 1/10/48 will be Rs 460/-. From the revision scales of pay the immediate benefit accrued to him ~~with~~ is only Rs 5/- Hence the present representation.

7) It is submitted that there may be some period during which the officer gets less pay in the new grade than in the old. But on the whole the benefit derived in the new grade would appear to be greater than in the old grade having regard to the rise in the minimum and maximum pay with the further advantage of annual accrual of increments.

8) Such requests have been turned down in previous occasions. To quote

9) Since similar representation from certain officers have not been granted, the present request of Sri Shamanna may have to be turned down and the officer informed that this request cannot be complied with.

10) We had calculated the benefit otherwise from year to year in a similar case, and found that though there may be no immediate advantage, or even some temporary disadvantage, in the long run, the new grades were more favourable. That Calculation may please be put up.

Submitted with reference to the Chief Secretary's para at para 10. The CB collection 447-48 is placed below with the relevant notes and orders flagged 'A' & 'B' for perusal.

3/12/49 Kind reference is invited to the Statement flagged "A"

CKP 3/12 The Statement flagged "A" gives the pays that Sri Shamanna would have got in the old grade and the pay he would get in the revised grade. When he would get a pay of Rs 450/- in the old grade on 1-4-52, he would get the same in the new grade on 1-10-51 i.e. much earlier than in the old grade. and he goes upto Rs 800 in the new grade. Thus the new grade is more advantageous than in the old grade.
